CELEBRATE BiG!

Look how cute some of our HAPPYtown Citizens are!
Thank you for sharing your stories about your BiG LiFE events!

"A dear friend gifted me a countdown to Retirement set. I displayed them on my fireplace, and turned a card each day leading up to my last day. It was so exciting for me and my family to see a new card each morning!"

~Debbie T.

"I used countdown cards to celebrate my partner starting Grad School. They were so fun and inspirational and were the perfect gift to kick off his journey through school!"

~Allie P.

"The Wedding countdown cards were a hit at my daughter's shower. All of the ladies loved them and wanted to look at them. My daughter hung them in her living room and loved looking at them every day."

~Sue S.

Life events are fun to celebrate.
Retirements! Graduations!
Babies!

These are all pretty big deals. The days leading up to those big events can be part of the celebration, too.

HAPPY countdown cards are a fun, unique and colorful way to get ready for a brand new adventure that's ahead. They are also a really sweet memento to keep forever.

We LOVE 'em!

The winner of the HAPPYtown March Give-Away is **SANDY!**

Sandy will receive the HAPPY countdown card set of her choice. Whether it is graduation, retirement, a new baby on the way, or a wedding, she can pick it for herself or give it as a gift to someone else.

CONGRATS, SANDY!

We are super grateful that you are a HAPPYtown citizen and we get to celebrate with you this month!

"The happiest moments of my life were learning I was pregnant with my one and only (rainbow baby after two losses) child, and at long last giving birth to them...safe and sound."

Where is HAPPY today?
